NEPAL NEWS

Evangelism News- July, 2020

Greetings in the precious name of our Lord and Savior Jesus Christ. I pray you and all your family are safe and protected from this pandemic. We continue to face many challenges throughout the month of July. The grace of the Lord has guided and protected everyone in the Servant Heart family. Though we are still in lockdown in most of the areas we were able to share the message of salvation to the people in and around Western Nepal. I am glad to share with you the activities of the mission for July.

Monsoon Flooding Affected Lives, Hampering Evangelizing

To date more than 150 people have died and hundreds are missing due to severe Nepal flooding. Heavy rain, has affected all of Nepal, overflowing riverbanks and causing landslides. More than 22,000 people have been displaced. Nepal has been struggling with COVID-19 and now yet another disaster hit this impoverished nation. Flooding does not garner the media attention that natural disasters such as earthquakes and hurricanes do, so news of Nepal's suffering has not been widespread. Due to flooding and heavy rainfall our ministries is directly affected. We couldn't do much more than staying locally in our church and watch. The pandemic is taking lives through starvation. Now lives are being lost due to massive flooding. It has affected believers too. The numbers just keep increasing. 6 of our

house churches meeting places are damaged or washed away by it. Most of the believers from five of our churches lost their shelters, household items, cattle, and food grains, etc. Many of them are homeless, under tents and cooking outside. The water level has subsided but devastation is still there. People feel so scared and traumatized. There are numbers of rural areas where the government has no access. Most of the relief agencies starting to pour in at capital city. We want to reach areas in the western Nepal with some supplies like medicine, food items, and clothes. Would you prayerfully support our relief efforts for the flood victims in our area for the glory of our Lord.

Making JESUS Famous All over the Himalayas

It is difficult for our Church planters to share Christ because some people are very much against the word of God and Christianity. But by the grace and the love of God, He is using us for His glory to fulfill the great commission. God is using our pastors and church planters reaching forgotten and unreached places of remote mountains and rural villages. Many are believing in Christ and people are baptizing in the name of the Father and the Son and the Holy Spirit. Jesus established water baptism, Matthew 28:19 and Mark 16:16. People who heard the Gospel and became new believers in the Servant Heart churches around Western Nepal are declared their faith through water baptism. Seventeen people in different places of Western Nepal were baptized. They are now growing in faith.

Turning Souls to Christ

"If you declare with your mouth, 'Jesus is Lord,' and believe in your heart that God raised him from the dead, you will be saved" - Romans 10:9 Things are terrible but God is at work and He is using us to share the message of salvation to the people living around us. Praise God that we were able to share the gospel to as many as people living in and around Western Nepal. Nineteen people from strong Hindu and Buddhist backgrounds put their trust in Lord Jesus Christ. God is working even if we cannot see it. We

are getting more inspired and motivated. Jesus said, "I will build my church, and the gates of hell will not prevail against it". With the Lord's help and your prayer partnership with this ministry, our pastors and people continue to reach out to the lost. We're growing and God is using our brothers and sisters who have no Bible training to win souls and plant new churches in the uttermost parts of the unreached areas of our region. Everywhere we go we preach a simple message of God's love and His Grace, yet, people are turning to the Lord.

This is the power of your prayers! **We have 27 leaders serving with us. Please help sponsor our pastors/church planters monthly with the gift of \$100 monthly**

Prayers Points

As this ministry continues, pray that many would embrace Jesus as their Lord. I am praying for a motor bike to make my evangelism efforts more effective and reach distant places and taking care of believers in emergencies. Please pray for a motor bike for ministry. Please pray for monthly sponsors for our church planters and leaders. Pray for our upcoming Vacation Bible School in October. Pray and help us to provide food during this terrible situation created by floods and global pandemic. Pray for the construction of church building for cell church. We have our land and now we need financial support for building.

We are immensely thankful to our Lord and your gracious prayer support. Please continue to pray for our churches in Nepal and help us to fulfill Great commission in Nepal.

Together for His Kingdom
