## PACIFIC BAPTIST CHURCH

6531 SW Galley Ave, Lincoln City, OR

# BE ONE TOGETHER

The limitations placed on each of us resulting from the coronavirus have us mostly at home. Each Sunday I e-mail a short printed sermon to the people in our church. Once we can begin meeting in the building again, we'll see where we are as a church. I am preparing a get-together with the other leaders of the church to see what changes we believe God is directing. Barbara and I are both trying to make good use of our time at home, and perhaps that will change the direction of our lives somewhat. Barbara is painting, and I am writing, working on a couple of projects. We'll see if there are any long range changes in our culture after this pandemic. Below and to the right is one of Barbara's latest paintings of an area near the church.

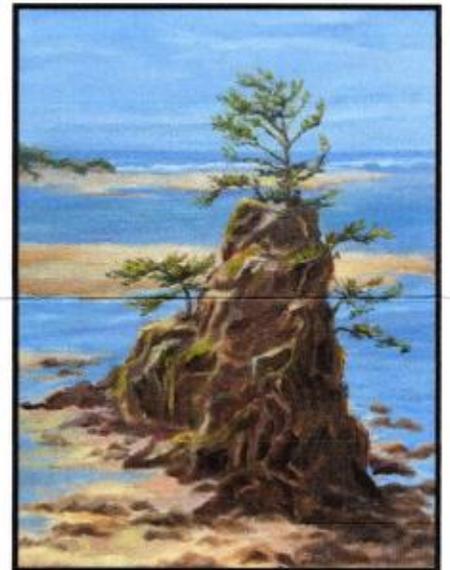

Kelly Torrence designed this little house, and her husband Shawn built it, and our church kids painted it. Now it holds non-perishable food and other, non-food items, and our neighbors are free to help themselves.

We once again experienced the amazing mind of God on a recent Sunday. Barbara has been memorizing a verse or two of Scripture each week. As part of my weekly message, to encourage our people, I quoted Isaiah 41:10 where God says "Do not fear, for I am with you; do not anxiously look about you, for I am your God. I will strengthen you, surely I will help you, surely I will uphold you with My righteous right hand." That happened to be the very same passage which Barbara was working to memorize.

It is a delight when God does this sort of thing, such as His confirming two unrelated events, using a single Bible passage, knowing that it would affect us differently.

It didn't just happen, as He is so very good at giving us His word. He often confirms His truth in what we are doing.

**Can we make a prayer trade? Us for you and you for us?**

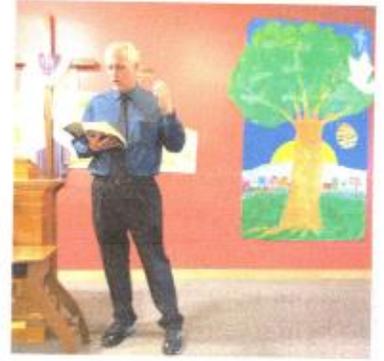

**As soon as the state gives us an okay, we will begin meeting again, and will rejoice together as we worship in our building at Pacific Baptist Church.**

**Neighborhood Harvest Party**

**Adult Sunday School Class with strong attendance**

**World evangelist Steve, preaching again at a five-day event at Pacific Baptist. He has led crusades in Africa, India, Russia and throughout America.**

**In Tillamook there is an annual three-day prayer meeting of pastors from the three coastal counties northwest Oregon**

**John went to the Great Wolf Lodge in Centralia, Washington for a three-day convention of Southern Baptists.**

**Little Shawn, helping out at our latest car wash**

First, we had a leaky roof. After getting that fixed, we fought the mold that had formed in the wall between the sanctuary and a classroom. Rick, Lisa, Dason, Cheryl, Lorraine and Kelly pulled the old sheetrock off, treated the 2x4s, and now the new sheetrock is put up. Later this week we will be mudding and painting.

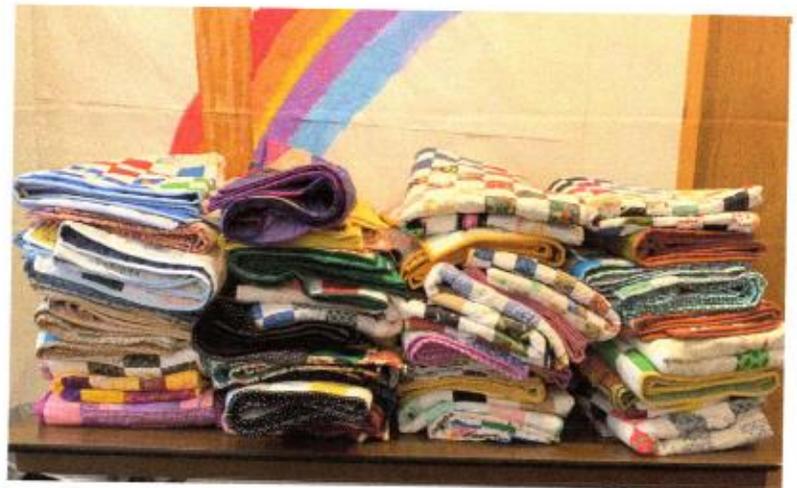

The LORD is gracious and merciful; slow to anger and great in lovingkindness Psalm 145:8

Barbara prepares and distributes a printed sheet with as many prayer requests as she receives on a weekly basis.

During this time, the people of Pacific Baptist Church have been very responsive to her, as they send her their prayer needs, and as they share their praises.

Surely God uses the prayer chain as another tool to bring the people of the church together during this physical separation.

**Some 115 quilts that women of the church made for local homeless school children, for an orphanage in Mexico, and other projects. And they're making more quilts, preparing for whatever comes next. Who knows how God is making use of the work these women do?**

We thank you who have been financially and/or prayerfully supporting our ministry to the people of Lincoln City. We could not do it without you, and we're not just saying that. We simply could not do this on our own, so you are in partnership with us. We know that God is able to know and to bless you accordingly. We are praying for each of you, too Thanks again.
