

Dear praying friends,

We hope this finds you well.

We had an all night prayer on Saturday and it was such a blessing to all who joined. The ones who stayed up can testify that the Lord carried us through the night. As we read Acts, prayed, sang, shared testimonies and had moments of silence, the Holy Spirit strengthened us and cleared out the fog, assuring us of His calling. In ourselves there is nothing that can defeat darkness and we are aware that only by the power of His Holy Spirit lives can be saved and transformed. So we pray! We are so thankful for all the Lord has been doing and for all He is going to do!

**Will you pray for the Holy Spirit to revive the hearts of believers here in Viana and Porto, strengthening us all so we may boldly share the hope of salvation and transformation that can only be found in Jesus. Pray for eyes to be opened and hears to be unstopped and that the Holy Spirit carries our words into people's hearts.**

**Please pray specifically for José (Vera's husband) who is not a yet a believer.**

As from yesterday churches are allowed to meet in person again, but with very strict restrictions. We were praying for the Lord to guide us in our decision on how to move forward and we are so thankful for His leading. The team met on

Saturday to make a decision and it was so nice to be together again! So, starting next weekend we will gather families with children at our home, specially thinking about the children and that they can have their time together. Benni is opening his house for the single people. We will still have an online teaching through Zoom, and we'll connect at the same time, also giving the opportunity to those who won't join (because of age or health conditions) to still be in touch. We're planning to meet once a month all together, at a park or the beach. **Pray for this new season, that the Lord keeps protecting His children and that we may all grow in relationship with Him and each other.**
