Dear praying friends,

We have been moving forward in our “event” for couples. God willing, it will be in the second weekend of May. **Pray as we plan, that the Lord guides us (we’re working with Kevin and Jan on this) and that this may be a blessing for every couple we will invite.**

Last week we were led by the Lord to go and pray in a specific spot in the city centre. You can see us in the photo, standing in front of an ancient gate for the city jail. As we prayed and declared the Lord’s truths over the city, placing in that place a flag of hope, we had the assurance that He who is able to set all the captives and oppressed free, make the blind see, is also able to fulfil all His promises. **Pray we stand firm in our faith, be courageous and strong, doing everything in love.**

It is with hearts filled with joy that we plan to have David Zimel visiting us again. Last October, the Lord used him in such an amazing way to bless our community. We would love you to join us in **praying that the Holy Spirit works in the hearts and circumstances of people here, to prepare them for what the Lord wants them to experience and learn. Pray also for protection and boldness for David and us all, to do what the Lord calls us to do.**

We are moving into a new season, spiritually speaking. The Lord is making it very clear in so many different ways. We are entering a time that requires us to preserve the unity of the Spirit through the bond of peace. **So please pray for every child of God in this country to walk with humility, gentleness, patience, showing tolerance in love. We believe that as we walk in Him who called us into His own kingdom and glory, the Holy Spirit will draw many to fall in love with Jesus Christ.**

In His strength,
Nuno, Gila, Leonor and Diogo
