Dear praying friends,

Hope you are all in good health and your soul is well during this unforeseen season.

We are doing well by God's grace. On the 22nd we celebrated Leonor's 14th birthday! It looked a bit different than planned, but still filled with joy.

Kids settled in for the new routine and government is putting measures in place for the remaining of the school year. Most likely, Portugal will be in this situation until July. **Please pray for patience and that we manage time wisely and that during this season we may all grow in our relationship with the Lord and with each other. We ask this for all the families in our church family.**

We have been meeting in Zoom every Sunday for our regular service and prayer and on Wednesdays to worship and pray together. Everybody is joining and it has been a sweet time together and with the Lord. We even had our planned guest, Dave Zimel, yesterday encouraging us to walk this season without fear and trusting the Lord. **Pray that the Lord gives boldness to each one of us to shine His light in the midst of these dark times. And that we all may come out of this stronger in Him.**

We remember and pray for each of you, trusting the Lord never leaves those who love Him. May He strengthen you by the power of His Holy Spirit to be faithful ambassadors of His kingdom here on earth.

In His strength,
Nuno, Gila, Leonor and Diogo
