Dear praying friends,

We launched our next season of WAVE with a special gathering to celebrate women. We talked about our identity in Christ, laughed, cried and even made some art together. It was beautiful to see many coming for the first time and feel loved and welcomed. **Pray the Holy Spirit keeps working in their hearts and lives, and gives Marjorie, Vera and I wisdom as we study some women of the Bible.**

We received a group of students from a christian university in the US, through connexxion. The school near our home (where Leonor attends) accepted to have them for a day, being part of the english classes, to play games and talk with the Portuguese students. The kids here were so enthusiastic about it and in the end of the day many came to join us and the group for a gathering at Mcdonalds. One of the girls shared her testimony to the whole group and then they continued with meaningful conversations in small groups. **Pray for these kids, that the Lord opens up another opportunity for us to meet and follow up what was started by connexxion.**

As the city opens up for us to be part of different spheres of influence, we have the strong sense that the Lord is saying it's time to rise and shine. The enemy has been fierce in his schemes and we all have been facing strong opposition. **Pray we stand firm. Pray for ears to ear what the Spirit is saying and for courage and boldness to step into His will in His time.**

Pray also for Nuno, Benni, Troy, Denis and Greg as they travel today to Germany to be part of Plant (a conference on planting churches).

In His strength,
Nuno, Gila, Leonor and Diogo
