"Give thanks in all circumstances." – 1 Thessalonians 5:18

Dear friends and prayer partners,

Greetings from South Texas,

We are in a "Stay home" State mandate, like most of the rest of the country. Churches, Nursing Homes and hospitals are closed to visitors. All home Bible studies are also on hold.

These are unprecedented times and our daily lives have dramatically altered. While the uncertainty can be unsettling, we believe we will get through with the help of our Lord, who has said in Psalm 46:1 "God is our refuge and strength, a very present help in times of trouble, therefore we will not fear...." Psalm 46:1

I have been able to keep in touch with the believers by phone and internet, praying with them and encouraging them with the Word of God. It's important that they know they are not alone or forgotten. Mrs. Guzman is a young mother with a three month old baby. Her ten year old son recently had open heart surgery. Her and her husband were under a lot of pressure and stress. Many people kept in touch with them, to encourage them and pray for their son Omar. The Guzman family contacted me to express their gratitude for our prayers and support. Omar has recuperated and doing well.
