**“Give thanks in all circumstances; for this is God’s will for you in Christ Jesus”  
(1 Thessalonians 5:18)**

### DEAR FRIENDS AND FAMILY

Our hearts are full of joy and thanksgiving to the LORD our God and to you who have supported our family and ministry with your prayers and generosity. **THANK YOU SO VERY MUCH!**

#### 1. FAMILY

The Lord almighty has blessed our family during this COVID19 year. Everyone is healthy. Only Moises Junior lost his job but after five months the Lord graciously provided him a better one. **Thank you, Lord!**

#### 2. BOOK

By God’s grace, our book has been **published in English and in Portuguese**. We are thrilled that **hundreds of people have read the book** and are sharing how the Lord has blessed them to face their struggles by reading our book. **Praise the Lord!**

#### 3. MINISTRY

During this pandemic, **our ministry has soared**. Although three of my trips were canceled, I was able to connect to all our missionaries in five countries. We had the blessing of teaching Romans and Revelation online.

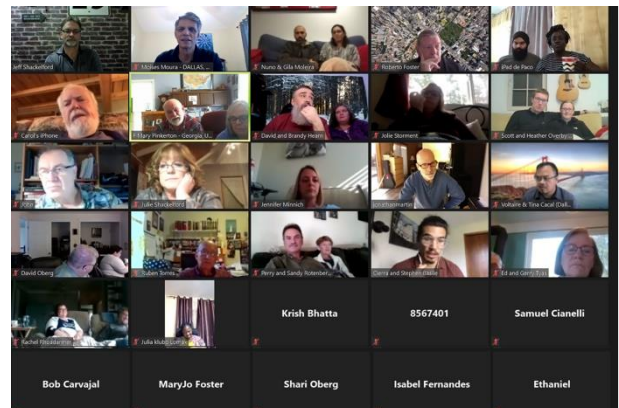

Our mission Beonetgether just had our **First Global Online Conference**. 100% of the missionaries and the staff attended. Glory to God! The Lord willing, I am scheduled to travel to Brazil in January 2021.

We could complain about this pandemic year but instead, **we found many reasons to thank the Lord for protecting us and help us glorify His name amid all the difficulties Covid has caused.**

Therefore, **we are “thankful in all circumstances, for this is God’s will for us because we belong to Christ Jesus.”** 1 Thessalonians 5:18

**With profound gratitude for your faithful partnership,**
