

Servant Heart Ministries Nepal

Love Grow Serve Together

Ministry Catalog

Dear Friends of Mission,

Greetings to you in the most precious name of our Lord Jesus Christ! Through this catalog you will connect with children and men and women who need the Lord. I pray you will experience His loving peace and joy in your family as never before. Read about different ways you can be part of their lives. The gifts you provide change their living situations while at the same time communicating Christ's love in a tangible way. I have seen many changes as a result of giving. God has allowed our native team to be your representatives and see firsthand **HIS LOVE** at work. May we never tire of the good work the Lord has given us to do as well as keep our eyes on Jesus

Local outreach and Evangelism

Evangelism is the heart of God's mission. Through your prayerful support of our faithful Church Planters, you are directly partnering with them to reach unreached people and you will receive the same reward. Our Native Pastors and Leaders are risking their lives

to carry the Gospel through dangerous, very challenging and often hostile settings. We can partner with them by sharing our resources. Imagine your gift making it possible for a native western people to hear the Gospel for the first time in their life. In the Western rural and Himalayas, only 0.5% people are reached with the Gospel of Jesus Christ. We usually conduct twice or thrice a months in various parts of unreached and remote villages and Himalayas. Generally one outreach is sponsored in \$400-\$500 depending on the location and size of the event. It is our prayer to reach as many as people of Western Nepal.

Please help us to conduct 2-3 outreach per month partnering in prayers and financial of \$1200-\$1500 monthly.

Native Missionary/ Pastors/Church planter

Help sponsor our native church planter/ leaders / pastors monthly to reach rural villages and remote Himalayas. Everywhere we go,

people are turning to Christ all over the Himalayas. Through your prayerful support to us, you are directly partnering with us to reach unreached people and you will receive the same reward (Matt 10; 41). Monthly support of \$120-\$150 keeps a one (pastor/ CP/Native Missionary)in the ministry full time by providing for His family. This monthly support is a help they will not have to work in the fields or elsewhere to gain a small income to put a food on the table and send their children to school. . With few or no cultural barriers to overcome, as they are already integrated in the area. We have 19 church planters and pastors needed to be sponsored monthly.

Please help sponsor our 19 church planters with a financial gift of \$2500 monthly.

Training Pastors, Lay Leaders and Church planters

Only 0.5% of the population living in the rural Himalayas and remote villages of the Western Nepal has reached with the gospel of Jesus Christ. It is believed that over 95% of the pastors and leaders in Nepal are either inadequately trained or have no training at all, whereas in Western Nepal only 2% Christian workers serving here have very basic biblical knowledge. This kind of deficiency can have a devastating effect on the health and sustainability of the church both in the short term and the long. These church leaders have a heart-felt desire for more education and training to equip them to be better teachers, pastors, and evangelists. We provide evangelistic and church planting training to many local leaders. Our vision is to raise Multiplier disciple (2 timothy 2:2) our long term vision is to setup one onsite bible training centre here in Western Nepal. We don't have any single bible training centre here. believers rush to capital city for education . Right now we

are doing mobile training to leaders and lay leaders serving with us in all over villages and Himalayas.

A gift of \$ 14,000 year provides full support to our Western Mountain bible training program comprising 2 batch bible school per year with a vision to train 50 leaders yearly.

Church Building Ministry

Imagine that you feel called to start a Bible study. You spend time researching study guides and planning a schedule that works well for everyone. Figuring out exactly where your group will meet isn't even a concern—your church likely has plenty of available rooms to choose from. But many Western believers are only now discovering the joy of having a church building where they can regularly meet and worship. As we have started planting churches in the remote western Nepal many people are coming in to the body of Christ. Although a growing congregation is cause for rejoicing, it can also mark the beginning of serious problems and persecution—especially if the believers have to crowd into small homes or rented buildings. We cannot hold worship services in a rented room because of persecution from Hindu government. All most all of our leaders are conducting worship in a house (mud made) . A church building is a place for gathering to worship, pray, and fellowship for the believers in Western Nepal. A church building keeps worshippers dry during the monsoon season. It also serves as a classroom for Sunday school for all ages and even for women's literacy class lessons. We are praying to build church building of our churches in Nepal. The gift of a church building represents more than a convenient place to meet. It is a center for loving fellowship and a launch pad for sharing Christ's love with the community.

Please help us to build worship centre with a financial gift of \$13000-\$16000 depending upon the areas.

Bibles and Evangelism Tracts

Bible is a word of God which gives New Life to Person who seeks it. It is also Powerful Weapon. Every Year, Our Ministries distribute Bibles to Poor Christian in Nepal. In Nepal a family of 9 members used to have One Bible. People cannot afford it because of their Poverty. One Bible in Nepal Cost \$5-7US\$. As many people came to Christ through our church ministries we need around 3000 Bibles to distribute to poor and needy people in Nepal.

A financial gift of \$20000 will help us to distribute bibles and tracts yearly.

Water Wells and Drinking Water filters

Thousands of villages in the Western Nepal especially Himalaya's areas have no source of clean water. Women even children often walk everyday to collect dirty water to drink. People use polluted water for everything including cooking, bathing and the animal's drinking water not knowing the disease is in the water and is harmful to them. They have very little knowledge on safe drinking water. Clean water in Nepal remote villages is a living treasure. Villagers are so grateful for them who support them with the water wells. This could be our great opportunity to pre-win them and later win entire villages in **Christ as Christ is "Living Water"**.

Please help providing water with a financial gift of \$1500 to one village. There are lots of villages which needs drinking water.

School and Education

Not all children need to be in an orphanage, but all children need an education. We invite you to sponsor a child in the local community so that they can go to school. Education is vital and enables the children of Nepal to have a solid foundation to choose their path in life, by organizing a child sponsorship program we are able provide this education through working directly with the marginalized children from low income families, we are attempting to develop these community children's lives and futures. Sponsorship provides children with the basic resources to attend the local government school, which include: uniform, stationary, textbooks and small school fee, giving them the priceless opportunity to enter or remain in education, and realize their full potential. Through this we help the families in our communities who need financial support for their children, while also sharing the love of Jesus Christ with sponsorship programs them. When you partner with us financially you are doing much more than keeping Food on our tables, you are enabling the Gospel of Jesus Christ to go forth through faithful witness. Help us to sponsor 19 helpless children , orphan, semi orphan and are from marginalized communities. \$50 will cover one children foods, living and schools monthly.

A gift of \$1200 will help us to look after 19 helpless children and grow them to Christ Likeness.

Sewing Machine: Empowering Women

Sewing is not just hobby; it is an opportunity in some rural villages in Nepal to earn a live hood for their families. Many women are in trouble with their staunch religious family members because of their faith in Jesus. Those women are disowned by their families and suffer and struggle every day. Many women and girls in Western Nepal are illiterate hence they are sold to India and some developed cities of Nepal for sex trade. Trafficking is increasing day by day. So through this Ministry we want to reach many women in Western Nepal in order to equip themselves for their families and win them in Christ by showing His love in Action and deeds. This year we want to support 20 vulnerable women.

A gift of \$7000 will help 20 vulnerable women to help sustain their families and grow in Christ.

Film Ministry Equipment

Pastors and assistants take a small battery run projector to rural villages where no electricity is available. Movies about the Jesus, the Bible and Native Christ based salvation movie are shown. This year we are praying to equip our Team with a portable video projector and sound equipment for showing Jesus film in rural villages in Western Nepal. This whole setup is battery-operated and includes portable charging equipment so this ministry tool can be taken up in the mountains far away from any electricity.

Please pray and Help us to buy a projector/ video equipment for displaying Jesus film to the unreached one. The cost of entire video equipments is around \$4500-\$5500

We have so many others Hope initiatives we which we are passionate to do and would like you to request pray for us and consider partnering with us to reach thousands of people for His Glory and For His people. God never grows tired of forgiving.

Heartfelt Thanks and Appreciation

We cannot do any of this without your help, prayers and support. We so appreciate the goodness, love and generosity of our friends and partners. **May God Bless you All**

Together for His Kingdom
