Dear praying friends,

We hope you are all doing well.

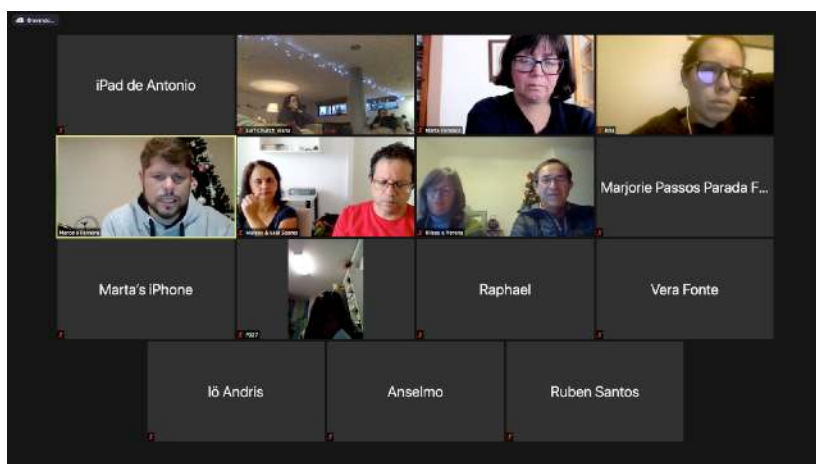

December has been a challenging month, but this is 2020, right?! We are praising God for His love and care. He is always with us.

Nuno's dad, **Carlos**, has been doing well, thank you so much for praying with us! **We continue to pray for a renewed heart.**

My mother, **Antónia**, is facing some health issues, still to be diagnosed properly. During these times it's hard to be so far away, as many of you know so well. **Please keep her in your prayers. That she may rest in the certainty that the Lord is with her.**

I'm very thankful (and full of joy!) for the work the Holy Spirit is doing in **Mafalda** (in the picture). We have been meeting every week, studying the word of God and praying together. **Pray she continues to grow in the knowledge of the Lord, and that her husband João comes to saving faith in Jesus.**

Pray for Rita, as she is traveling this season. Pray for protection and a blessed holiday.

We had a beautiful Christmas celebration (on Zoom!), reflecting on our Lord Jesus and how our God is the God of the impossible. **Pray for our community, as so many will be apart from their family members during this season. Pray for the joy of the Lord to fill their hearts and homes.**

Join us in giving thanks to the Lord for this year. He sustained us throughout such hard times and in all circumstances we were filled with His peace. We are thankful for each one of you, a great company of faithful followers of Jesus, working together to make Him known. And we pray our Heavenly Father, who already blessed you with every spiritual blessing in Christ, fill your hearts with His love.

In His strength,

Nuno, Gila, Leonor and Diogo
