Dear praying friends,

We hope you are all doing well.

We continue in lockdown, and today school starts online. We thank the Lord for His grace that carries us through every season in life. Leonor is very happy to be at home, but Diogo misses his school friends, and some days are just challenging. Keeping the balance between time on screen, family moments, things that need to be done... it's a full time job! **Join us in praying not only for our family, but for all the families in our community, especially those with children. Pray for all the logistics involved with school at home, as well as wisdom for us parents to deal with anxiety and frustration that arise from being stuck at home for so long.**

Our church family continue to gather online. Everybody misses being together, sitting around the same table. But our online moments have been sweet to the soul and we thank the Lord for that. **Pray we continue to grow as a community, healthy and always looking to Jesus.**

We are thankful that Brasilina recovered from Covid. The Lord really carried her through this. **Please pray for her as she feels very lonely. She is a widow and lives by herself. Pray that the Lord wraps her with His presence.**

Please keep my mother, Antónia, in your prayers. Pray the Lord heals her both physically and mentally.

As we dream and make plans for 2021 as a community of Jesus' disciples, we desire to be good stewards of whatever the Lord puts in our hands. **Please pray that we keep doing the practical things that need to be done, with excellency, and that we never forget why we are doing them. Pray we never leave our first love as we read in Revelation 2:4. We want to be a family who loves Jesus, walks with Him everyday obeying His perfect will. May we bring glory to Him in everything we do. And may the people in Viana know Jesus as their Lord and savior. Pray the Lord softens the hearts of people here, to receive His word!**

In His strength,
Nuno, Gila, Leonor and Diogo
