Summer Is Off & Running!!

May is the month where school ends in summer begins. By the 20th, college was over, so rather than have the Collective Bible study, we all went to a Thai restaurant.

That Sunday, on May 23, we recognized our graduates during church.

As a special treat, the youth band led worship. Nate, our Youth Minister did a great job. After church, we had a dinner for the graduates and their families.

The following Wednesday, May 26, we had the Alive after school party. We had

games, pizza, and Shantrice had a message for the youth. Everyone had a great time and summer officially started.

The next Tuesday, we took all the youth to a skating rink because it was church night. All the kids came out and brought their friends. We had a great time.

On June 14 the youth group hopped the bus for Lee University in Tennessee for Student Life Conference. Our summer conferences are one of the most important events we do all year. We had 31 youth and adults.

Of all the camps I have ever been to, I believe this one has had a greater impact on those who went than any before. See inside.

I do a radio talkshow called the Current Word every Friday at 4 PM on WSHO AM 800 (WSHO.com). We look at current events from a biblical perspective. Because it is streamed I get people by chat from Great Britain, Germany, New York, and all over the United States. Pray for my ministries

I Stand At The Door & Knock!!

My good friends Mike & Donna Belerino are remodeling their home. They gave me their front door which is a beautiful, beveled, leaded glass. On Saturday, May 8, I decided to do the swap out at my house. Remember, when you take the old doors out, you must put the new door in that same day. I had prepped everything the week before, so I was ready to go. Taking the old doors out took a lot longer than I thought. Upon putting the new door in I discovered I had not trimmed them enough. So my friend Ricky helped me trim down the two side panels. So at 9:30 PM I was doing the final preparation before I was to assemble the doors when

Nate and Sarah stopped by to see if

I was working on the door. Nate gave me a hand right when I needed it the most. We assembled it, I closed the door, locked it, and

thanked Nate. I felt like he was sent by God.

The reason for sharing the door story is this. On Memorial Day, May 31, I had sharp pains in my back so bad that I ended up going to the hospital. They took blood, urine, gave me a CAT scan and an x-ray. Everything came out okay and the conclusion was I had a muscle spasm. In the next couple of days the pain went down my leg; my sciatic nerve. I went the whole month of June in pain. Mike told me that the one thing old men forget is that they are not young men

Student Life Conference!!

Every year we take the students to a summer conference. In 2020 they were all canceled because of covid so we had our own conference. But this year they were back. So we took 31 students and adults to Lee University in Tennessee.

The Student Life Conference is designed for youth. It has a great worship team, great emcees, good speakers, and a good schedule. The whole conference is designed to give the student an encounter with God.

Doing the day there was recreation time and family group time. Nate decided that we would do our own recreation time by visiting a waterfall, touring Chattanooga, and doing white water rafting. The family time

was when we met for Bible study and prayer time. This was my family group.

We met every evening to share and that is where we saw the Holt Spirit move. One of our girls got saved. I truly believe everyone grew in their relationship with Jesus and have gotten more serious with Him.

Church Under Attack !!!

If you do a study on church history throughout the centuries you will discover that the church seems to grow more under persecution than under prosperity. There is something about suffering that drives us to God. It's really very simple. I think the thing that stands in our way in following God is our wanting to follow ourselves. When things are going good we feel empowered because we somehow feel like we created the good. So the one thing persecution causes is the realization that we are not in control. When that happens we begin to look to that which can solve our dilemma and relieve our suffering. And that is God. He is the only one who can change our circumstances and intervene in our suffering.

The comments that more people make to me lately is that we are going to go through a period of suffering, not only as a country but also as the church. It is evil that a few individuals who have amassed a great deal of power, influence, and wealth want to control the rest of us causing suffering. But don't worry, God can use that to draw us closer to him. If you wonder why God allows these people to do such evil things. It might be to draw us closer to Him.

Selling Collectibles!!

My friend Karl Olinde set up a web page to help sell my collectibles. It helped me pay for my teeth. He is a good friend. Check it out for yourself.
