SUMMER MISSIONARIES 2021

BE ONE TOGETHER

HOW TO SUPPORT US

PRAY

- **Pray for the students** we will be working with, that God would be working in their hearts and drawing them closer to Himself even before we meet them at camp.
- **Pray for wisdom** in speaking and leading the student leaders. We know that we can't do this in our own strength, we have to rely on Him.

GIVE

We appreciate any financial gift God puts on your heart to give. Our goal is to raise about \$1,500 each. Any amount you want to give is perfectly acceptable, but if that's too vague for you, consider one of these options:

- \$50
- \$100
- \$200
- \$300

OUR PASSION

JJ - For a long time I've had a passion to follow Jesus and live out His example of relationship with God. Jesus was very intentional about his connection with the Father and inviting other people into it. Ever since attending Fir Point Bible Camp as a kid, through the life and invitation of other Christ followers, I've had a passion to know Jesus more and to invite others into becoming like Him, especially those who have deep questions, doubts, and obstacles in their relationship with God.

Tiana - I grew up learning the bible and hearing about God my whole life. Although, when I was 15, I started attending a youth group that really challenged me and grew my beliefs. It was then that I recognized, for the first time, just how real God was in my life. Ever since then, I have had a passion for not only leading others to Christ but also teaching and growing them in their faith along the way, through relationship and challenge. I want everyone to have a chance to experience God.

OUR OPPORTUNITY

JJ - I've remained connected to Fir Point through most of my life and am familiar with their annual need for volunteers to mentor and disciple youth at their Summer camps. This year, Fir Point's camp director, Kenny Grey, contacted me and my fiancée, Tiana, about leading and mentoring the high school campers who will return as student leaders. This falls right in line with my passion to see others more deeply engaged in their pursuit of Christ as well as leaning into who they are and what they offer as a part of the body of Christ.

Tiana - Fir Point is where JJ and I first met and this year we have the opportunity to come back and serve at Fir Point again as an engaged couple. I know how the leadership and teaching of my youth leaders has grown my faith and relationship with God and I am excited to let God use me in similar ways to disciple and teach the youth there. I also know that putting myself in a mission environment where I have to lean on God to do the work will challenge and grow me as well.

Supporting us in this God-given opportunity will directly invest in the discipleship of student leaders who are taking their next step in their faith by imitating Christ in the way he served. Choosing to give will also allow us to grow in our imitation of Christ and refine our skills in learning and communicating His word with others.
