

Dear praying friends,

Thanks for your continued support in prayer. It is much needed and appreciated!

On Saturday the women gathered for the last meeting before summer break. They studied the sermon on the mount for the past 9 months and it was such a time of growth for all who were part of it. On the photo you see many of the faces we usually ask you to pray for (from left to right): **Mafalda, Verena (holding Mel), Gila, Vera, Anita, Andrezza and Marjorie**. There are a few others that usually join online, and also need your prayers: **Antónia, Graça, Sandra, Rita, Brazilina and Bina**. Please continue to pray for these women and their families, that they may keep walking close with the Lord, obeying Him step by step.

Please pray specifically for **Antónia and Brazilina** who are going through a very depressing season.

Please keep praying for **Carlos**. Nuno visits him often and he still is feeling weak. We continue to believe and pray for a miracle, and in all we know the Lord is good and loves Carlos very much.

José is returning from Pakistan today! We are thankful that the Lord kept him safe through this time away.

We started streaming live on facebook our Sunday meetings. Our desire and prayer is that the people in Viana who are curious but somehow still are afraid to come and see, will listen to the teaching of God's word and that the Holy Spirit helps them understand their need for Jesus. Pray with us!

Sunday we will celebrate our 3rd anniversary! We are so thankful for everything the Lord has been doing and especially for His presence, love and care. Despite the hardships, we are looking to the future with hope and very expectant for all He is going to do in Viana! We plan to gather at one of the city public gardens to celebrate, inviting friends and family.

Pray for a joyful time and divine appointments to share Jesus with others.

Pray also for our friend David Zimel, who is joining for the celebration and staying for the week to minister to people here. May the Lord's plans be accomplished in this.

In His strength,

Nuno, Gila, Leonor and Diogo
