

Dear praying friends,

Thank you for praying with us and for us! We are so happy to see **Tomás** coming with his family every Sunday and enjoying being here. We have been having the sweetest worship moments together. **Marcelo** (in the photo playing bass) is practicing with the youth and everybody sings along. Some just sit and rest in the presence of the Lord and little girls love to dance. **Will you pray for those who join online? That the Lord removes whatever is preventing them to come (fear, easiness, tradition...)** and gives them a heart desire to be with their brothers and sisters in Jesus. Our desire is for them to experience not only the teaching time, but also the fellowship and worship.

Vera's mother, **Glória**, who joined for a time with her daughter, came to saving faith in Jesus last Friday! What a joy it was to see Vera leading her mother to Jesus. Rejoice with us and **pray for Glória**, now that she went back to France (where she lives) that **she keeps reading her Bible and growing in relationship with the Lord.**

**Alpha Viana** is planning a concert on the **3rd of September** to be held at a very well know church in the city. It's a place of stronghold and in His sovereignty the Lord allowed this worship concert to happen there. **Please join us praying for this event, for the people running Alpha Viana (Nuno, Ulisses, Verena and Céu) to be covered by the blood of Jesus and for the Holy Spirit to move powerfully and open the eyes and hearts of those attending.**

On the **4th September** Alpha Viana is having a picnic with people that already went through the program. The aim is to reconnect and invite them for a weekly bible course. **Pray also for the Lord to bring those He wants to grow deeper in their relationship with Him.**

**Brasilina** is traveling tomorrow to be with her daughter, granddaughter and son in law in Canada. We are so happy that she made this decision, as she was feeling very lonely after her husband's death, living by herself. **Pray for an uneventful trip and that she settles well there.** *(In the photo, Brasilina sitting down and chatting with Ulisses and Verena after church service).*

In His strength,  
Nuno, Gila, Leonor and Diogo
