

Dear praying friends,

Thank you for praying with us.

The women's meeting on the 4th December was again a very special time in the presence of the Father. Please continue to **pray for the women to grow in intimacy with the Lord and in meaningful and strong relationships with each other. Pray also for those who couldn't join, that the Holy Spirit brings them closer to Jesus. Next meeting will be on the 8th January and we will be talking about the goodness and justice of God.**

Nuno, Ulisses and Verena completed the Bible course they were leading with the 24 catholic people. Everyone

was keen on continuing and they are planning to start studying the book of Romans next year. **Pray for Nuno, as he will be leading this, for the Holy Spirit to open their eyes and hearts to the Gospel and courage to submit everything they know under God's Word.**

We had a beautiful celebration with Acoustic Christmas. Some guests (nonbelievers) joined our community. The battle was on as we intentionally set our gaze and devotion on Jesus. It was humbling and encouraging to see the Holy Spirit move as we worshiped and prayed. **Pray with us for the guests who joined, that the Holy Spirit surrounds and reminds them of the words they heard on Sunday, bringing them to saving knowledge of Jesus.**

Marcelo's family travelled to Brazil for the Christmas season and they will be back mid January. **Pray for their time there to be a blessing for them and others who they will meet. Pray also for our family, for the grace of God and the power of the Holy Spirit to strengthen and guide us during this season.**

We pray you have a blessed Christmas along with your loved ones, in the presence of our Lord and Saviour Jesus. He is with us!

In His strength,

Nuno, Gila, Leonor and Diogo
