Hello Everyone,

Merry Christmas and a Happy New Year! This Christmas was a relaxing time for our family, although it was not exactly what we were expecting. The week before we took an impromptu trip out to Bend to get away, spend time as a family and with the Smucker family. It was low key and just what we needed. When we returned to Sandy, illnesses and weather kept us from being able to spend as much time as we wanted to with family, but it did help us to slow down and have a more restful Christmas. We have missed Christmas in Weimar, we are thankful for the relationships here in Oregon, and we are looking forward to Christmas in Kandern next year. Here are some praises and prayers from the past month.

Praises:

- Post car accident (Dec. 4th) issues are being taken care of (repairs, rental car, physical therapy, etc)
- The amazing friendships being formed and strengthened during our time in Oregon.
- The father daughter banquet at GSCC that I got to take Holly to.
- Stuart celebrated his ninth birthday Dec. 6th.
- Samuel celebrated his sixth birthday on Dec. 31st.
- Seeing God's faithful provision.
- The restful and not too crazy Christmas break.

Here are some things to be praying for:

- We are trying to figure out how to restructure our lives especially going into 2022 so we can focus on the support raising and rejuvenation that is needed.
- The broken and hurting all around us. We were acutely reminded of this recently in many friends' lives.
- Being intentional with our conversations and interactions with others (including strangers).
- Does God want you to be part of our financial support team? Pray for the courage to take that step if it is a yes.

Thank you for your faithfulness in prayer. We appreciate every one of you. Please let us know how we can be praying for you as well.

Serving in Oregon and preparing for Kandern, Germany,

Scott for Heather, Stanley, Holly, Stuart, and Samuel
