

BE ONE TOGETHER

Brandy's Blessings

It is never the same task each day, and it is a joy to be a part of God's work in so many areas of the world.

During a month's time, what is a highlight for you?

I love seeing God provide for our missionaries and the ministries He has called them to serve in. It was true in the beginning and remains true today. I am ecstatic when sufficient funds received from donors enable a missionary to receive the targeted amount for their salary each month. Knowing a missionary can do the work God called them to without worrying that month about how to pay the family bills is a joy!

I love hearing and reading where God is moving. If you know me well, you know I like to talk (Thanks Dad!). I love catching up with missionaries on the phone or in Google virtual meetings. Being part of a missionary family praying for each other is wonderful.

What makes you sad?

2 things

1. When missionaries do not have enough funds for their ministry.
2. Not knowing how to accomplish the mundane tasks as well as having time to take on the projects of an expanding ministry and spend time with missionaries.

What are challenges to be overcome?

I sometimes say, "God, did you know what you were

Dear friends and family,

As we approach Christmas, these verses come to mind,

"Who though he was in the form of God, did not count equality with God a thing to be grasped, but emptied himself, by taking the form of a servant, being born in the likeness of men. And being Found in human form, he humbled himself by becoming obedient to the point of death, even death on a cross." Philipians 2:6-8

As Jesus served all of mankind, my prayer is to serve others on a daily basis.

Recent questions caused me to pause on how God has called me to serve Him and I thought I would share those questions and answers with you.

How would you describe your ministry with Be One Together?

I believe God has uniquely gifted me for serving the Finance Department of Be One Together working with both missionaries and donors. I make sure donations are handled correctly and ensure missionaries are paid.

"Oh give thanks unto the LORD, for He is good; because His mercy endures forever." Psalm 118:1

doing when you asked me to take this position?" I need to depend on Him more in accomplishing what He has set before me.

How is your position funded?

My position is funded by donations made to Be One Together Ministry Center operations. It is a walk of faith trusting God to provide donations which in turn covers my salary.

How can you be involved with the ministry?

Recently the Ministry Leader talked about a WWI image.

At the time of war Uncle Sam or the government needed everyone to do their part.

We are in a war today against the principalities of evil around the world with missionaries serving in Brazil, Germany, Dominican Republic, Portugal, Liberia, Mexico, Nepal and the U.S.A.

I need you to join my team in supporting me and my part of serving the Lord in this war!

#1—First you can pray.

- For me to serve the Lord well honoring and glorifying Him.

- For God to organize my time with and for me to listen and accomplish what He has for me to do.
- For God to supply all that is needed.

#2 — Second you can consider your part,

- This mission is able to receive donations to support my part of the ministry.
- 100% of each donation given goes to the designated ministry. Your donation would go towards my salary.
