

Dear praying friends,

We hope you are all well and we thank you for your continued prayers and support.

On our February women's meeting we were very few, as some had covid. Nevertheless, it was such a blessed time of learning, fellowship, sharing and prayer. **Keep praying for the women, to grow their roots deep in the Word of God. Pray especially for Daniela (first on the right), a new believer with so many questions. Pray also for Vera as she is the one walking more closely with Daniela. Our next meeting is on the 5th March. Pray everyone is in good health to come!**

Marcelo is starting to meet with the singles in the church once a month. They will start by reading a book and having a conversation about it. **Keep this in your prayers, as our heart for this is that the ones in church can invite friends to join, growing in meaningful relationships and that they come to know Jesus as savior.**

On Sundays Nuno has been teaching through the letters of John. The conversations afterwards have been very rich. **Pray the Holy Spirit continues to teach us all to live in love and truth.**

**Pray also for us as leadership team (Nuno and I, Marcelo and Marjorie), as we prayerfully plan the year ahead.**

There is a possibility of doing an outreach in the schools of Viana, with some Bible College students coming from the United States. Nuno is having meetings with the different schools in the next couple of days. **Pray everything is done according to God's will and plan.**

In His strength,  
Nuno, Gila, Leonor and Diogo
