## Brandy's

## Blessings

Board Chairman, Voltaire Cacal, shared something we should all think about.

In John 13, Jesus chooses to serve the disciples by washing their feet. He did not do this for 1 disciple as an example, but for all 12 of them. Judas, the one who had already betrayed him, Peter, who would deny him, Thomas who would doubt him, those who slept when Jesus needed them and all who would desert him. They were Jesus's inner circle, those who followed Him and knew Him best, yet not one of them would stand with Jesus.

If Jesus could love these men like He did, then I should be more forgiving and understanding of my close friends. It is hard to see outside of myself when I have been hurt, but I can choose love and forgiveness. I can choose to remember "we all sin and fall short of the glory of God" (Romans 3:23).

**Dear friends and family,**

I had the privilege of joining 30+ Be One Together missionaries for a hybrid conference in early April. It was wonderful to see familiar faces whom I had missed and personally meet new people who already feel like family. My privilege before the Lord is to serve these missionaries.

The teaching time was terrific where we talked and learned in depth about the Trinity. The fellowship was marvelous and Inspiration Church in Mesquite, TX, welcomed us with wonderful brothers and sisters who used their gifts to bless us by providing lodging and serving meals.

**"Make allowance for each other's faults, and forgive anyone who offends you. Remember, the Lord forgave you, so you must forgive others" (Colossians 3:13 NLT).**
