

# House Church Helps

Thank you for being about God's Story here in  
Europe.

On behalf of House Church Vila do Conde, Portugal and its international partners we want to thank you for being partners in:

- bringing people to safe passage (through rental vans, fuel, drivers)
- bringing medical supplies
- food and drink supplies
- beds
- blankets
- children's toys
- hygiene products
- financial aid to ground workers
- and so much more

There is a long road ahead, far from being over. We are humbled by the many people who have jumped in to support us through prayer, finances, and practical aid, in order to equip and empower our church to collaborate in such a way that shows the mercy and love of Jesus Christ. In the midst of pain and chaos we can so clearly see the glory of our Triune God.
