

Dear praying friends,

Thank you for praying with us! May was a full month, with some guests/family visiting. We are happy to see our church family to grow in unity and also in maturity. There are some people who want to be baptized, and we are planning to do it on the 4th anniversary of the church, the 3rd of July. **Please be praying for this day, to be full of the joy and glory of the Lord.**

To celebrate the children's day we gathered at the city park, alongside with the Baptist church. It was a very joyful day, where we could meet other believers and spend time together, talking and playing. The children had so much fun! **Pray for the different communities of believers in Viana to flourish and shine bright!**

Artur (the young man playing guitar) has been joining us for the last couple of Sundays and **he really needs your prayers as the Lord draws him closer to Him. Pray for Marcelo as he walks with Artur.**

Pray also for Tomás (sitting next to Artur), for the Holy Spirit to remove whatever is keeping him to see the truth. Pray also for Mafalda (his wife) who is going through a very hard season. Pray the Lord strengthens her and that she can understand and live in the freedom Christ gave her.

Please continue to pray for Brasilina, for her physical and emotional health. Pray also for us as we make efforts to bring her closer to the community. Vera also needs your prayers, as she faces opposition both at home and at work. Pray for strength and wisdom from the Lord for every situation.

We understand that's a lot to pray for, and many times our hearts are burdened with the cares of this world. But we are thankful for we know that we can draw closer to our Father and bring our cares to Him. Thank you for doing this with us!

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. (Philippians 4.6)

In His strength,

Nuno, Gila, Leonor and Diogo
