Opening Up From Pandemic!!

With Covid came the shut down so, for two years we were restricted in our activities. But now everything is open. At the end of April we had our D-Now conference after two years. Youth from all over the city came

to the Baptist seminary where it was held. We had about 30 youth participate.

The end of March was our Be One Together National Conference in Dallas, Texas. This was our first conference in two years. It was so great to see all the other missionaries. It was refreshing to have some

good teaching on the Trinity and to have some time of prayer for the ministry. This September our ministry will be 10 years old.

The beginning of April I spoke at the Mandeville Bible Church at the Men's Breakfast. It was a good time to catch up with these godly men who support me and pray for me and my ministry.

The high schools are always slow in opening up to us coming back on campus. But in April we were allowed to go back with Next Gen during lunch. We play games with the students and then give them a short talk. We have had a good response.

For April we started a Monday night Bible study for the youth group. It was called "Can You Ask That?" and we took on tough questions that a lot of youth have but don't feel comfortable in asking. It was real successful.

The Collective, our college and career Bible study, has been also successful. As you know it is very difficult to keep together because of their scholastic demands.

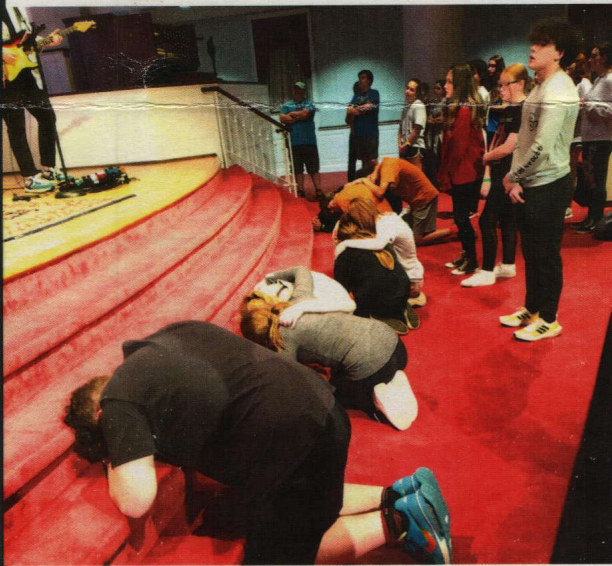

At the end of May, we took everybody to laser tag. We got a deal where we could play from 4pm-9pm. We had about 60 people and everyone had a great time.

I ask for you to continue praying for my ministry to reach youth for Jesus and to disciple those who know him. Thank you.

D-Now 2022!!

D-Now is short for Disciple Now and it is a conference we do every spring for high school students. The youth ministers in the area usually plan the conference, the speaker, and the topic. But since the pandemic we have gotten some help from the New Orleans Baptist Theological Seminary. Since the conference is held at the seminary and since they have budgeted for it, it makes it cheaper which allows more students to come.

We first go to the seminary Friday night for games and a guest speaker. We go back home to host homes where the students all stay together. We wake up the next morn-

ing, feed them breakfast, and head back to the seminary for a full day of programs and outdoor events. We then go back to our guest homes and the next morning we go to church for breakfast and our final meeting during Sunday school. We had around 30 youth who participated and some brought their friends. It was very successful.

Be One Together!!

Be One Together is the ministry that I belong to. In September we will be 10 years old. In that short period of time we are in 12 states in five countries with 60 missionaries.

At the end of March, we held our National Convention in Dallas, Texas. Because of the pandemic we haven't had a national convention for the past two years. So, we were excited to get together and see old friends and new friends.

Our guest speaker was J. S. Horrell who is a professor at Dallas Theological

Seminary. He taught on the Trinity and servant leadership. He was excellent and it really deepened our faith.

One day we visited Dallas Theological Seminary because our guest speaker and the director of our board both teach there. We also took a tour of Daily Plaza where John F. Kennedy was assassinated. My friend Ken Belton picked me up for dinner then he took me to the airport.

Southwest Airlines was having a computer glitch and flights were canceled all over the U.S.. My flight was supposed to leave at 10:25pm which would put me home at 11:35pm. My flight took off at 1am and I landed at 2am without my luggage. I filed a claim and got home and to bed at 3:30am.

Busy Month!!

The past two months have been very busy. I spoke at a men's breakfast at Mandeville Bible Church the beginning of April. They are special people and I enjoyed seeing them and spending time with them.

We started Next Gen at Destrahan high school the beginning of May. They have 3 lunches and we have close to 100 students.

We decided to teach a special Bible study for the high school students on Monday nights in May. It was called "Can you ask that?" We tackled hard questions.

And we ended up taking all the groups to laser tag on May 21. We had over 60 people. We played over 5 hours.

Jacob!!

About three months ago Jacob's father died. He was in poor health but it was still shocking when they found him.

Two weeks ago his grandmother died. She was the one that raised him. She had Alzheimer's so they moved her up to an assisted living facility by her sister in Little Rock, Arkansas.

The funeral was good because Jacob saw his relatives. Please pray for Jacob.

Selling Collectibles!!

My friend Karl Olinde set up a web page to help sell my collectibles. It helped me pay for my teeth. He is a good friend. Check it out for yourself.
