

Be One Together

Dear Friends,

Thank you for your prayers and continued financial support. It is deeply appreciated.

People Coming to Christ

I was asked by a couple to visit a retired teacher that was in the hospital. Her name was Juanita. Juanita asked for prayer as she was very ill. I spent time talking with her and began to share with her about how much God loves her. I read to her John 3:16 and was able to share the plan of Salvation. That day she accepted Jesus in her heart, as Lord and Savior. I asked Juanita where Jesus was, and she stated in my heart. She had a smile in her face as I left the hospital room. Thank God her name is now in the Book of Life.

Cell Groups

The Sanchez family, whom I have been working with, opened their home to have a cell group every week. The purpose is to reach their neighbors to Christ. Once a month, Mr. Sanchez invites his neighbors to the gathering. They come for fellowship and a meal. One of the members of the group was able to share how God changed his life. The neighbors took notice in the fellowship that the group has. We continue to pray for the neighbors so they will come to know Christ.

Christians in Action

“Jesus said, “As the Father has sent me, even so I am sending you.” “John 20:21. I am thankful for God for the four women from the cell group that have joined our nursing home team. Yolanda, Lisa, Mini and Neco have been a blessing to have. They sing and pray with the residents. They pray for the residents on a one to one basis. The ladies love the ministry. Please pray for them and the families. After providing them the tools, they are able to provide devotionals at the nursing home. Lisa shared the story about the Good Samaritan. She was a bit nervous, but she did a good job. The residents are able hear God’s love. The women are learning how to share God’s love to the residents and I am very thankful for that. They are a blessing.

Prayer Request

Please pray for us, for wisdom as we minister to the different need of the residents. We are the Lord’s vessels. Please pray that the Lord provides me with a reliable car, my 2009 Dodge is having a lot of car problems. I am trusting that the Lord will provide in his time. Pray for the cell group as they reach out to their neighbors and share the Gospel.

Blessings,
