

Dear praying friends,

Thank you for praying with us and for us!

We had a wonderful break in the south of Spain, with my parents (Gila's). Kids were happy to visit grandparents and we were able to rest and enjoy time with one another. We also celebrated Diogo's 11th birthday while there and it was a sweet gift from the Lord to be able to do that with my parents.

We were happy to get back home and to our church family!

July and August can be very different from the rest of the year, as the families take their annual holidays. But it was very special to have the whole community gathered at the end of July. **Pray for the families to have a good rest (I have this conviction that Portuguese people don't know how to do that...) and stay connected to the Lord.**

Saturday 6th August we're having a worship night in the garden, around the fire. **Pray for a Spirit filled worship time and that the Lord opens the eyes and hearts of those who don't believe Him yet.**

The women's meetings (o Jardim) is having a break for the summer. On our last meeting we had a great time of sharing and fellowship. It was clear that during this study (the attributes of God) each of us came closer to Him and closer to each other too. We are thankful for that, as it was one of our prayer requests! We plan to start a new study end of September. **Vera, Marjorie and I are having a vision day next week, to pray and let the Lord guide our steps, as He has been doing since the first day. Please pray for us!**

Please pray for Lucinda (first on the left). She woke up one morning with a cut on her head and doesn't remember anything. At the hospital they did all the tests and everything came out normal.

In His strength,

Nuno, Gila, Leonor and Diogo
