

Dear praying friends,

Thank you for praying with us!

We celebrated Thanksgiving hosting a dinner for the church. Everyone came, even the unbeliever family members. We were 40 in the room and it was a blessed evening. We had such a lovely time and it was a very special moment when we prayed thanking the Lord for His love. After that, the spiritual battle seems to be more intense. **So join us in praying to the Lord to give us all strength and wisdom as we abide in Him and continue to do His will.**

December's women's meeting was a very good time together. The day started early and with so many challenges, but every woman came and was blessed to be ministered by the Lord.

Continue to keep all in your prayers, especially:

- Isabel (third from the right, sitting), who is battling depression and family issues;
- Susana (fourth from the right, sitting), who is very new to faith;
- Anita (first from left, sitting), who is going through very hard situation with the father of her daughter;
- Brasilina (second, from left, standing), who still battles depression and other several health issues;
- Lucinda (third from right, standing), as she draws closer to the Lord He is guiding her in making hard decisions;
- Mafalda (first from right, standing), for wisdom as she grows in her faith.

Our family had a very special short break late November. Looking back to this year, we can only be thankful. The Lord is good all the time and He has sustained us in so many ways. We are also thankful for each one of you who so generously support us in prayer, by giving and encouraging us. It's an honor to serve our Lord alongside you, and we pray for God to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work (2 Cor 9.8). May you have a joyful and peaceful Christmas!

In His strength,

Nuno, Gila, Leonor and Diogo
