

Dear praying friends,

As we wrote in our last update, we were waiting on the Lord for a place in town to pray and worship. It was so amazing to see Him open a door that no one else could. We were given permission by the city council to be in the castle/fort in the our lady of Agony field, for free. Now, so you understand the spiritual meaning of this, our lady of Agony is the most famous catholic celebration in Portugal. It's 5 days in august to celebrate the saint and it draws around 1 million people to town. But God is the almighty and He called His church to praise and worship Him in that specific place. We had a great time of worship and prayer. The name of Jesus was lifted high and the Holy Spirit moved freely. There was so much joy in that place. Joy, not agony. The church was there and some other people came too. Our dear friend Dave Zimel taught on our identity in Christ and our authority as believers. We are so thankful for your encouraging words Dave! It was beautiful to see the church praying for people who needed healing. Everyone was very inspired to see the Lord heal! The days that followed were intense, with many people coming to faith in Jesus, being healed and delivered! Just to name a few, Paulo (Anita's boyfriend) prayed to receive Jesus, Marjorie and Susana were healed from back pain, Lucinda from hearing problems, Pedro from dislexia (mom was weeping as he started reading aloud)... Nuno is the one making an accurate account of events, getting all the names down. **Continue to pray with us for the Holy Spirit to bring people to repentance and saving faith in Jesus. Pray also for us to be strong and bold in walking the pathway the Lord opened for us.**

It is always very humbling to us to see the Lord calling people from different parts of the world to love and pray for our city. Just a small town in the north of Portugal, clouded by religion and tradition. But we believe the Lord has plans of life and joy for this place. We are thankful for all of you who fight alongside us and we continue to lift up the name above all names, the King of kings, the Lord of lords, our risen Savior Jesus Christ!

In His strength,

Nuno, Gila, Leonor and Diogo
