

Dear praying friends,

Thank you for praying with us and for us!

Our family had a lovely week in Madrid (Easter holidays). It was sweet to spend time together in a different place and we are thankful for this much needed time of rest.

Leonor is almost finishing high school and she is looking forward to a gap year, before she proceeds her studies (possibly video/photography). We are exploring activities for her to do and places to go. **Pray with us for the Lord's guidance on this.** We are certain of the good plans He has for Leonor, and we just want to help and encourage her. Also, if you have any ideas please do share with us!

Men started meeting every month for breakfast. They are reading a book about the role of men in family leadership and it has been a blessing for all. **Please pray for João (first on the right) to continue to grow in the Lord.** A couple of months ago he was an atheist. He confessed Jesus as savior and wants to be baptized. **Rejoice with us in praising the Lord! Pray also for Paulinho (Anita's boyfriend, third on the right) to also grow in the knowledge of the Lord.** He has been joining church and also the men's group. **Pray for Tomás and Tiago (not in the photo), for the Holy Spirit to convict them and bring them to saving faith in Jesus!**

With more families joining church we have seen the kids group growing as well. **Pray for Marjorie and Willyane as they lead the children and also that the Lord calls others to help the two leaders.**

Join us also in praying the Lord continues to guide every step we take and that His Holy Spirit continue to freely move amongst us, bringing conviction, freedom and boldness to follow Him!

In His strength,
Nuno, Gila, Leonor and Diogo
