

Dear praying friends,

We have so much to be thankful for! Thank you for for all your prayers!

Late July we celebrated Diogo's 12th birthday. **Join us in praying he continues to grow in knowing the Lord and in His wisdom.**

Leonor served in Word of Life youth camp and The Lord caught her attention to consider taking part of the institute. **Please pray for guidance and clarity.**

We had the joy of spending some time with our dear friends Ross and Jennifer. This was such a treat for our souls, especially having them meeting David and Bina and talking about how it all started. We are thankful for the wide family the Lord brought us into and witnessing the work He is doing all around the world is truly encouraging. He is making His bride radiant, He is using all those whose hearts are fixed on Him. He is Holy and the only one worthy of all our devotion. **Join us in praising Him for who He is!**

Paulinho and Anita got married! We tell you, watching the Lord working in people, bringing them to life, teaching them how to live according to His will, restoring relationships and family, fills our hearts with indescribable joy. **And that's a joy we share with all of you who stand with us in prayer for these beautiful people. Continue to pray for this family to grow in intimacy with the Lord and with each other. Pray the Lord uses them powerfully to draw other people to Himself!**

Lucinda celebrated her 49th birthday yesterday. Here in the photo she is with Anita (her sister) and their mother (Rosa). The Lord has been doing a beautiful work in her life. **Pray for the holy Spirit to continue to guide her, pray for the favor of the Lord to be upon her and that He confirms everything He is calling her into!**

In His strength,
Nuno, Gila, Leonor and Diogo
