*From the Notes of Ed and Gerry...*

Dear friends and family,

As we are writing this letter it is a crisp and beautiful day. We have had some that aren't lately but this day is beautiful. Ministry wise we are in a very interesting season. More opportunities are coming our way to reach out further in ministry.

We are enjoying this work. Involvement in the CEF (Child Evangelism Fellowship) Good News Club in an apartment complex in a local town has proven to be interesting as the kid's sit and soak up the things of God and are very interested. This is very different from when we first started about 4 years ago. It seems to be more serious and the kid's are hungry to hear about God. This is so exciting to be a part of.

A continuing effect is made to reach out into people's lives in working one on one with them. It is also important to be involved with them as a family in enjoying their family celebrations too.

Gerry has started a series of chaplaincy classes. She felt a desire to receive more training in this area. She is enjoying the extra ministry opportunities. There are a lot of hurting people that are around us not just physically. Yesterday being at one of the food pantries in our county she was able to talk to 2 ladies and pray for them. One told of having to move from a rental when it doubled in price. She was now living in an RV. Her propane had run out in the middle of the night and left the RV very cold but a voucher had come through and she now had propane for awhile. They prayed and thanked God for His care and thanked Him for continual care day by day. We pray for continued spiritual work in the life of this family.

We want to tell you how thankful we are of you interest in this ministry and to wish you a grateful time of thanksgiving at this time of year.
