*"Give thanks to the Lord, for he is good; his love endures forever." (1 Chronicles 16:34)*

**Dear friends and prayer partners,**

The Lord has done great things in our lives and ministry because of your prayers and partnership, and we are so grateful.

**This year, during the first semester, we had two mission trips to Brazil.** In the first one I taught church leaders in the Amazon. On the second trip, Lucy and I went to São Paulo to preach at the Taiwanese church's retreat. In both trips we had great response from people coming to the Lord and for others being better equipped for the ministry. **We are so grateful!**

**We took the second semester to visit our five supporting churches** and share with them what the Lord has done with their prayers and financial support. We were so blessed to have each church rejoicing with us for God's work through the ministry He has called us. **We are so grateful!**

**The Lord is guiding us to a new ministry opportunity right here in Dallas, Texas.**

There is a Brazilian church in Plano, Texas that we have preached several times over the past ten years. The church is now growing in numbers and the Brazilian pastor has requested us to come and help him to lead and train the deacons and elders. This is exactly what we have done in Brazil and Portugal over the years. Now we can also do this ministry at our doorstep. **We are so grateful!**

We prayed, fasted, asked for advice, and talked with our sending church and mission organization. They all agreed that the Lord is directing us to help this loving church.

I will still be traveling to Brazil and Portugal at least once a year to train church leaders over there. We ask you please to pray for us and for this body of believers as we help them to continue to grow spiritually and in numbers for God's glory. **We are so grateful for this new ministry opportunity.**

**Here are some ways you can be a part of this ministry endeavor:**

- Pray for the churches without pastors in Brazil and Portugal.
- Pray for wisdom and stamina as we minister overseas and in the USA.
