

Dear praying friends,

Thank you for praying for us as we travelled to the US. It was such an amazing time for us. The Lord confirmed so many things in our hearts and it was a blessing to meet so many of you!

It was great to be back to Viana and to our church family and these past weeks have been full as we meet with the different families.

We see the Lord working in the lives all around us and it is very clear that He is bringing people together, building a strong foundation. There have been challenges and we ask you to **pray for new believers to grow and mature in Jesus, loving one another with sincere hearts.**

It was a delight to be back with some of the ladies for our women's meeting. What a sweet time we had in the presence of the Lord! The Holy Spirit is really teaching each one of us to rest in Him. **Pray that we all may be sensitive to the nudges of the Holy Spirit, to obey His leading, to live with our hearts open to**

His working.

In this photo you see Rafael looking at his aunt Anita. He came to faith in Jesus last April and now he has been coming to church with his girlfriend. He is a very sweet young man, went through a lot as a child and still carries

many hurts. **Pray the Lord continues to draw Rafael closer to Him, that his relationship with his girlfriend Diana may grow healthy and strong as they both grow in the Lord. Pray for him to be truly free in the Lord!**

In this photo you can see my mother with Flavio and Miguel. Miguel is a very young believer and we are amazed with what the Lord is doing in him. He has a hunger and thirst for the Lord and His presence that is very beautiful and contagious! **Pray the Lord continues to speak to him, to continue to fill him with His Holy Spirit; pray in agreement with the perfect plan the Lord has for this Portuguese young man in the city!**

Finally, will you pray for our Christmas celebration on the 17th? The city council gave us permission to use the castle in the city center once again, and included this celebration on the events calendar for December published on their website. **Pray many will come and that the light of Jesus shines bright! Pray for all the logistics and everyone involved in the preparations.**

In His strength,

Nuno, Gila, Leonor and Diogo
