What A Summer So Far!!

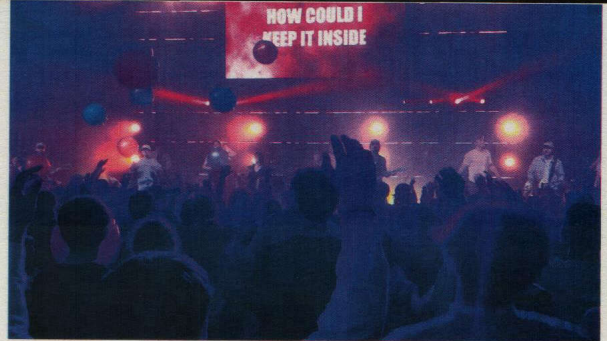

May and June were nonstop for ministry. In early May the youth group had a night at Laser Tag to raise money for our mission trip to Columbia. 10 days later we had our Senior Recognition Sunday. We had 11 seniors graduate and that day was to honor them.

On May 24, seven adults and 10 youth boarded the plane for a mission trip to Medellin, Columbia. Our sister church in Covington has gone to Columbia and made the contacts and arrangements for us to go. We were gone for 11 days and it was amaz-

ing how the Holy Spirit worked in that short period of time. I had been on many mission trips and this, by far, was the best planned.

After returning home, three days later we boarded a bus at 4:45 AM that brought us to Covenant College on top of Lookout Mountain outside of Chattanooga for our summer youth conference. These confer-

ences are one of the highlights of our youth ministry. They had good worship, excellent teaching, and lots of fun events. But most important, it really unites our group together.

The week after we got back from camp our church had Vacation Bible School. Most of the work is done by our youth ministry. The youth are great and the kids love

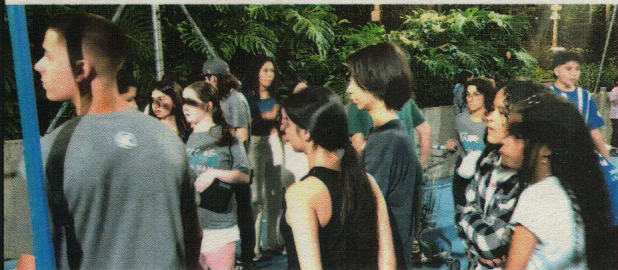

them. We had close to 80 kids who came and we already have some families coming to our church because of it.

The radio station, WSHO, that I have a call-in talk show on has a new owner. The studio was moved from the foot of Canal Street to Kenner about 3 miles from me.

Medellin, Columbia!!

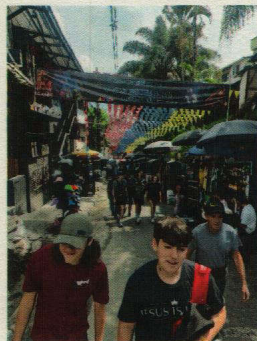

I love to take youth on a mission trip because it's such a life-changing experience. They get to see other cultures that are different from ours but also very similar. It is an opportunity for them to share their faith.

This trip was so well-planned that it allowed us to do more. The church that sponsored us wanted us to make contact with the

local teenagers. We went to a couple places where we could play games with them and it gave us an opportunity to talk about Jesus.

While there, we visited their small groups, did a three day vacation Bible school for the children, gave three talks on identity,

purpose, and destiny, visited a ministry to an indigenous group, did the worship for each event, and went to talk to a businessman who is trying to start the church in his office, as well as go to all the tourist places. It was a wonderful trip and God moved in our lives.

Summer Camp!!

Every summer we take the youth group to a Christian camp. This year we went to Covenant College on top of Lookout

Mountain in Georgia. The camp has a morning and evening worship time and message, small group time, our church time, and lots of activities. They also have recreation time but we decide to do our own rec time.

What makes camp so special is it really unites the group and gets us away where we can think about our relationship with Jesus and give time for the Holy Spirit to talk to our hearts. This camp was very special because we have a group of seniors who have made an impact on our group.

Vacation Bible School!!

The week after camp was our Vacation Bible School. At our church. Most of the volunteers come from our youth group. They love working with the kids and the kids love the youth. We had around 80 kids.

Our youth minister, Nate, and myself taught 5th and 6th grade. Nate did the Bible Studies and I taught about missions sharing

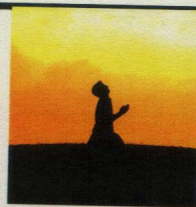

some of the trips I have been on. Many of our kids were already Christians but we did have 3 put their trust in Jesus. All in all it was a great time.

WSHO-AM 800!!

I have a radio-talk show on the local Christian radio station WSHO-AM 800. The station now has a new owner and he moved the studio from the foot of Canal street to Kenner, about 2 miles from where I live. No more coming home in rush hour. The new owner is building a studio in his Satellite Business and it is nice. Please pray for this move.

Thanks!!

I wanted to thank each and everyone of you who sent a gift for me to go to Columbia. It not only was enough to cover my trip but I was also able to buy supplies for the work we did in Columbia. Thank You!
