## Moises and Lucy Moura Transitioned

MOISES WRITES, "WHETHER SERVING THE LORD FULL-TIME AS PASTOR, CHURCH PLANTER, OR MISSIONARY TEACHER, OUR CALLING IS THE SAME. IT IS TO PREACH THE GOSPEL AND MAKE DISCIPLES OF BELIEVERS.

THE LORD GAVE US A NEW OPPORTUNITY TO SERVE HIM IN ADDITION TO WHAT WE WERE DOING AS FULL-TIME MISSIONARIES.

AT A BRAZILIAN CHURCH IN DALLAS, TX, THE PASTOR LACKING THEOLOGICAL EDUCATION AND EXPERIENCE, INVITED US TO HELP HIM TRAIN CHURCH LEADERS.

## TRANSITIONS IN MINISTRY

When a missionary is assigned to serve on a field, we somehow imagine that is where they will be for the term of service. Sometimes that is true and it is also true; God redirects missionaries either in location or type of ministry.

Over the past year we have seen several transitions take place in the mission:

- Greg and Jen Weaver transitioned from Surf Church, Portugal, to a house fellowship among unbelievers and to an international team of coaches and mentors for others in ministry.
- Kevin and Angela Janzen opened a coffee hospitality ministry in Portugal.
- K transitioned to chief of his village while continuing to pastor in Sierra Leone.
- Eric and Peggy Von Raeder transitioned from Nepal to church pastor in California.
- The mission has missionaries safely serving in undisclosed ministries — a transition for the mission.
- Jeff and Julie Shackelford transitioned a home fellowship to meet in a remodeled pole barn and gather together
- Perry and Sandy Rotenberger added Mission Liaison to their ministry responsibilities.

## PINKERTONS TRANSITION TO A NEW LOCATION

The mission's Ministry Center office has always been virtual and in our home. We often meet virtually with staff and missionaries and this was true long before 2020 .

MOISES AND LUCY MOURA CONT.

WE PRAYED AND SPOKE WITH OUR LEADERS AT BE ONE TOGETHER AND OUR PASTORS. THEY ALL GAVE THEIR BLESSINGS AND APPROVAL. WE ARE SERVING THE BRAZILIAN CHURCH AS A MISSIONARY, NOT IN A PASTORAL POSITION. WE HELP THE PASTOR BY PREACHING, GIVING VISION TO THE CHURCH, TRAINING DEACONS AND TEACHERS FOR THE SUNDAY SCHOOL CLASSES.

WE THANK GOD FOR HIS LEADING.”

MOISES AND LUCY IMMIGRATED FROM BRAZIL AND SERVE IN TEXAS.

Transitions in Ministry cont.

The office (computer) always travels with us. In the future it will have a new place to call home as we transition the location of our personal office. Our Georgia home will be sold (God willing) as we move to Utah.

### Why Utah?

Our daughter, Debby, and her husband, Jaramie, serve with Tentmakers Bible Mission in Tremonton/Garland, Utah, in a Bible based church plant. Several years ago, Debby, was diagnosed with Isaac Syndrome and has antibody infusions every other week. You may pray for her. They have 2 sons, Elijah 12, and Isaiah, 11.

We continue to lead Be One Together as the Ministry Leaders and travel serving the various ministries around the world as the Lord and budget allows.

### “Will the mission’s address change?” NO!

Be One Together is registered in Georgia as a 501(c)3 and will continue to maintain the same address, PO Box 112, Hiram, GA 30141. [This is not changing!](#)

We have all heard our favorite news stations say, “People are on the move.” This is true around the world. Last fall we had a couple in Central Asia apply to the mission. Before their process completed, with lives were in danger they fled to Malaysia as refugees. Their children finally are able to attend school there.

The world is on the move and [we are moving as well with the Be One Together Board’s blessing.](#) If you would like to help with the financial cost of this move, you may use the information on the coupon on the front to make a donation.
