OCTOBER -NOVEMBER 2024

From the Notes of Ed and Gerry...

Dear friends and family,

Opportunities that God Gives

- Resource Centers are great places to meet people and strike up conversations. Gerry was recently talking to a mother and this led to prayer about her daughter. These are precious moments which God gives us in coming along side another. It is a hope He allows her opportunity to follow up on this also.
- At another resource Center a mother in tears walked in and shared with the team that she felt in danger as she was living in a car with her young daughter in a city where she knew no one and she greatly desired to go to another state where she had relatives and would be safe. The church while making contact with the family was able to see that she had a bus ticket to join her family. Gerry was able to pray with her before she left.
- Another opportunity came when, while visiting a family in their home, we had the opportunity to meet the mother of a very dear friend of ours and realizing that an indigenous language from Mexico was the mother's 1st language (and that she spoke it much better than Spanish) we were able to give her an oral translation of the "Jesus" movie and portions of the Bible in her 1st language. What an awesome experience.

We also have the opportunity of going on two trips in the near future.

- One is in January as we return to Culiacan, Sonora, Mexico for two weeks with Gospel Recordings ministering in the Agricultural Camps giving out Gospel Recordings to the Indigenous groups there.
- Gerry also has the opportunity of going to Cuba with a small group to be of assistance to a church in their food distribution and outreaches to their community to people in need. This is a great opportunity to reach into that country with God's love and compassion. She will be gone November 8-18.
