## Cell Groups Ministry

Brother Gomez has opened his home to host a cell group. The purpose is to reach the neighbors for Christ. The members of this cell group reach out to the surrounding community in Bro. Gomez's neighborhood and invite them to his home.

The neighborhood has taken notice of the cell group and are curious. We are praying that the Holy Spirit will work in their hearts to accept the Gospel.

Thank you for your continued support in helping God expand His Kingdom.

## From Cell Group to Nursing Home

Some of our members of the cell group have been led by the Holy Spirit to minister to the elderly in the nursing homes in Weslaco, Tx.

They share the love of Christ by visiting and praying with the residents. It is a blessing for both as they minister to those whose families no longer visit the residents of the nursing home.

Please continue to pray for wisdom as we minister for the different needs of the residents.
