Serving in WA and beyond among the Hispanic community

From the Notes of Ed and Gerry...

March and April 2025

Dear family and friends,

Opportunities are increasing around us.

- The opportunities in resource centers and the opportunity to share with people one on one are increasing right now and we are taking advantage of it.
- At a local Resource Center recently, Gerry was able to share with a relative of a man who had passed away. This was a sad time for them but a very special time of sharing of the hope we have because of Jesus. Pray for this extended family.
- Lupe, a woman Gerry meets with weekly, greatly enjoys their time together. They talk about growth in a Christians live and how to practically live this out.
- We continue to participate in a Good News Club with CEF (Child Evangelism Fellowship) during the school year. This Club is in an apartment complex in a Hispanic area. What pleasure to see kids who are extremely interested in what God has to say about their lives.

- Opportunities beyond our community

Gerry went with a small group to Cuba in November and will return in May with the same group. They have been invited and will be working with a church in Havana in their community.

Prayer Requests and Praises

- the ministry in resource centers in the area...that God would open up opportunities for sharing...
- The ministry in the apartments with CEF. Praise for the hunger we see for God's Word among the Club here.
- trip to Cuba in May...that God would give many opportunities...
