Serving in WA and beyond among the Hispanic community

*From the notes of Ed and Gerry...*

**May 2, 2025**

Dear friends and family,

We received a text from a family we had had a lot of ministry with before the pandemic. Now they are adults or almost. It was a text from an adult daughter wanting to go to church with us sometime. What a great surprise. We took her and a sister and two cousins. After the service a birthday party was held for a brother's one year old child. What a privilege to be invited into their lives again and a hope of further ministry.

Spring is here and summer will soon be on it's way.

At of the writing of this letter, it is a very sunny day. The Bible Club in which Gerry participated in has ended for the school year and we are looking forward to the summer. Summer for us will look somewhat different. Whereas before we were involved in a lot of children's activities now we find our involvement includes mainly adults.

Our involvement in Resource Centers will continue through the summer. We anticipate also more visiting in people's homes and one on one connection and discipleship. This does include families and children that are within the family.

## MINISTRY TRIP

This month Gerry will be returning to Cuba ,after a trip last November. The group she is going with has had ongoing ministry with a church in Havana. They have currently been invited to work with the Senior Ministry in the church and the community surrounding it. She will be gone May 16<sup>th</sup> through the 26<sup>th</sup>.
