Summer 2025

Dear Family and Friends,

Time is flying by as we prepare for the summer schedule, catch up on yard work, and get our vegetable garden going. So thankful that our friend Mike Berner¹ was once again able to come up for a week this spring and help us get the firewood cut that will be needed for next winter as well as many other little projects.

This is really just a short note to let you know our summer schedule and to ask you to pray for us for the following needs:

- Safety as we travel the curvy mountainous roads*
- Each week of VBS shown on the enclosed calendars*
- Wisdom to have the right words to say at VBS*
- God to speak to hearts and work in lives*
- Energy to get everything done that needs to be done*
- Karen's family as they move to Nebraska this summer with the Air Force that the Lord will give them a great church family and Christian friends*
- For all the volunteers needed for Smoky Mountain Day Camp as our friends at Liberty Church of Cosby direct the camp.*
- The farms who use migrant labor have changed ownership and there are now liability issues blocking the way for us to enter. Please pray open doors and for God to lead us and give us wisdom.*

Thank you so much for your prayers and financial support that makes the continued ministry possible!

In Christ's love,

Don and Carol Adams
