

## Summer Time!!

Summer is one of the busiest times of the year. But this summer was even busier because I had my cataracts removed. May, I was in and out of my doctors office and the whole operation was finished up in June. I don't have to wear glasses or contacts and I can actually see better than 20/20 vision.

June 2 we all boarded a bus and headed to Dayton, Tennessee for youth camp. We joined other students from all over the United States for camp which

included worship & preaching. And we did our recreation which included a tour of the Mayfield dairy, a trip to Chattanooga, and a visit to a waterfall.

God was moving in the hearts of many of the young people. Four of them put their trust in Jesus and others felt God calling them into ministry. Camp

was really great.

On June 17 was our churches Vacation Bible School. This is a churchwide event and I am happy to say that our youth play a big part in putting it on. There was 130 kids who came to the VBS, 34 of them put their faith in Jesus.

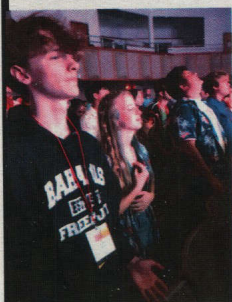

On June 24 we had a skate night at one of the local skating rink. It was a fun time but not many of the young people came. It's summer & a lot is going on.

On the last Sunday in June we voted for a pastor for our church. We had been without a pastor for over five years. Our church was destroyed by a hurricane and we have been fighting the insurance company. Doesn't help getting a pastor. But I truly believe we have a family that God has called to us. So we thank God for bringing us Jeremy Rogers.

## Youth Camp!!

One of the highlights of our year is our summer youth camp. When you get the youth away from their normal routine and their cell phones it really offers an opportunity for our youth to get in touch with God. It is amazing to see how God works in their lives.

The group times have worship & a guest

speaker that really knows how to relate to youth. They also have reck time, but our youth would rather have our own reck time. Our first day we went to the Mayfield Dairy. The second day we went to Chattanooga. The third day we went to a waterfall which most of the youth had never experienced. We call it Nate reck.

We are so proud of our group who won the talent contest at camp for their playing drums. They were so good.

Throughout the week we saw the Holy Spirit work on our youth. Four of them made the decision to put their faith in Jesus and make Him Lord of their lives. All in all it was a wonderful time for all the youth and we saw the Holy Spirit really moved.

## VBS 2025!!

We were only back from camp for one week when we had to do VBS, Vacation Bible School. We had 130 children signed up and it is a church-

wide event. I am so proud of our youth because they do a lot of the work to make the school special. 34 children put their trust in Jesus.

## WSHO Radio Talk Show!!

WSHO is a Christian radio station in New Orleans. It was recently sold which is a lot more complicated to do. In the process it was off the air for over a month. When all of the kinks were worked out I was asked to come back on the air. I have a call-in talk show called the Current Word. I'm on every Thursday from 4-5pm on WSHO.com. When I was off the air I lost my listening base so pass it along that I'm back.

## Columbia!!

Last summer our church took some students to Columbia on a mission trip. It is such an eye-opening experience for the youth to see people in another country and another culture.

We are going back to Columbia this summer from July 29 through August 7. We will be working with the same church. You can be a part of this overseas adventure by praying for me and all the people going to Columbia that the Holy Spirit will work in their lives and introduce others to Jesus.

## Our New Pastor!!

Our church has been without a pastor for close to five years. We live in a hurricane zone and the last major one destroyed our sanctuary. To make it worse our insurance company has not

been fair with us and has not settled. But we finally found a wonderful family and we voted for them to be our pastor on the last Sunday in June. His name is Jeremy Rogers and is married with five children.
