"Trust is not a passive state of mind. It is a vigorous act of the soul by which we choose to lay hold on the promises of God and cling to them despite the adversity that at times seeks to overwhelms us."

- Jerry Bridges, Trusting God: Even When Life Hurts

One of the most common topics that seem to come up is "Trusting God." Do we, as believers, really trust God? Hopefully we *know* that He is trustworthy- but do we live like it? Do our emotions display a peace that pours out of a reliance on God and His word?

Life is overwhelming for many people. "Adulthood" is hard. So much brokenness and sin wreck havoc on our lives. We deal with suffering, trials, and temptations. Through it all God is trying to teach us about Himself. He is trustworthy *and* we can trust Him.

From the counseling room

"I HAVE LEARNED THAT GOD JUST WANTS A RELATIONSHIP WITH ME. THAT I DO NOT NEED TO PERFORM FOR HIM OR BE PERFECT BUT HE JUST WANTS A DEEP RELATIONSHIP WITH ME. I HAVE LEARNED HOW MUCH GOD TRULY DOES LOVE ME AND CARES FOR ME AND THAT HE IS TRUSTWORTHY."

"I am definitely turning to God more for comfort than self harm. For me, this is huge. Regarding things from my past, I have learned that I can talk to God about those things. He wants me to heal, and to lean on Him for that healing."

Thank you!

Hannah had a wonderful time this past summer working with Christian Youth in Action and especially learned a lot on her missions trip to Antigua and Barbuda. Thank you to all who supported her this past summer. God has given her a heart that loves sharing the Gospel with Children and we look forward to seeing how He will use her gifts and talents in the future.

Hannah is enjoying her Junior Year at Eastbrook High School and is involved in Band, Quiz Bowl, National Honor Society and Student Council. She serves in our church's Children's Church ministry as well as on the Leadership team helping with the Middle School ministry.

We'd love to hear from you!

Please pray!

We are currently \$12,000 below our annual budget goal.

This year has been a hard year for many financially. Please be praying that God would provide what we need to meet our ministry budget goal. Please pray with us for 10 individuals to join our support team on a regular basis. Thank you to all who faithfully pray, support and encourage us in this ministry. We would not be able to minister the way we do without your love and support.

More Like Christ

God has done so much in my life and the lives of my family members since we came to New Hope Baptist Church 10 Years ago. From being hired as the youth pastor to being voted in as the senior pastor a year later. From having elementary age kids to a freshman in college and a junior in high school. What a wild ride it has been, but through it all, God has been directing our paths, and we can see His hand in every circumstance. Every day we are learning to depend on God a bit more, and every day we are becoming more like our Savior. It is our prayer for those here at New Hope, and it is our prayer for you as well, for your lives to be transformed by God in this way. Imagine the person I'll be if I look more like Christ tomorrow than me.

Noah is doing great during his freshman year at The Master's University in Santa Clarita, CA. He is currently taking 17 credit hours of classes, involved in his local church, playing tuba in the pep band and working part time for The Children's Hunger Fund. We are excited to have him home this Christmas for a few weeks.
