***“We give thanks to you, our God, and praise your glorious name”
(1 Chronicles 29:13)***

Dear Friends and Prayer Partners,

As we celebrate this Thanksgiving season, Lucy and I want to take a moment to thank you for your faithful prayers and partnership in our lives and ministry. Your love, encouragement, and generosity have been a constant reminder of God's goodness and grace at our lives and ministry to Him.

HERE ARE SEVEN REASONS WE ARE ESPECIALLY THANKFUL FOR:

1. A milestone of grace:

Lucy and I are celebrating 39 years of marriage and ministry together! The Lord has blessed us with health, joy, and countless opportunities to serve Him side by side. We rejoice in His faithfulness through all these years.

2. Our children:

We thank you for your continued prayers for our three adult children. While they are not yet fully walking with the Lord, we see their hearts becoming more open to spiritual conversations, and we trust that God is still writing their story.

3. Training new leaders:

By God's grace, we served for two years at Rio de Vida Brazilian Church here in Dallas, helping train and equip leaders. Last month, the church joyfully anointed three elders and three deacons—faithful servants ready to serve God's people. Praise the Lord!

4. A new pastoral calling:

The Lord has called us to serve at Crossroads Bible Church in Talty, Texas. What began as a time of helping the church recover after a difficult split has become a clear calling to stay and shepherd this flock. Only twenty members remained, but we believe God is rebuilding His church in strength, unity, faith and growth.

5. Blessing the Lar Davis Orphanage/Brazil:

We praise God for the \$2,000 raised to install security cameras at the Lar Davis Orphanage. Thank you to all who contributed to this project! Installation will begin soon, and we look forward to sharing pictures in our next update.

6. Upcoming mission to the Amazon/Brazil:

With God's help, I'm preparing for my next mission trip to the Amazon region of Brazil in early Spring 2026. This trip will focus on training young missionaries who are planting churches in remote areas along the Amazon River. Please pray for wisdom, protection, and \$2,000 for all provision for this trip.

7. You—our partners in the Gospel:

Lucy and I are deeply thankful for you—for your friendship, prayers, and generous partnership through the years. Your faithfulness allows us to continue serving the Lord with joy and purpose.

As we give thanks this season, our hearts are full of gratitude to God for each of you. May His peace and joy fill your home this Thanksgiving and always.
