Ed and Gerry Tyas

From the Notes of Ed and Gerry...

Christmas time and going into a new year. This time can be very exciting yet in reality it can be a little stressful and sad as our memories catch up with us and we remember times that are no longer here. This time is for making new memories and setting forth new traditions as we walk the steps God has for us with those that are around us and follow Him into a new year.

The Good News Clubs Gerry is involved with are quickly coming to an end for December but will continue in January. What a great opportunity to be involved with these kids in teaching them about Jesus with other team members.

The resource centers continue and are a source of great encouragement to others who come discouraged but leave encouraged in the Lord to know that He can walk with them every day.

Gerry had the opportunity of going to Cuba once again in November with Mexican Medical Ministries out of San Diego. It was a special time as they saw evidence of God working every

day.

Here are some of the things that they were involved in:

- *Eye Glass Clinics*
- *had ministry in four different churches*
- *reached out and were of help to other ministry organizations*
- *had a children's event*
- *did many home visits bringing food, delivering two wheel chairs and spiritual encouragement*
- *went on a prayer walk and prayed for the city and community*
- *saw people come to the Lord*

Thank you for your prayers. They were greatly appreciated!
