

BOB'S NEUUS

The Bobscars!!

On November 8th were our Bobscars which is our awards ceremony. We take it after the Oscars except we recognize youth who excel in some part of the youth ministry. We serve food, have a runway, and take pictures of all the youth with their awards. The youth love it.

Biblical Counseling!!

I also completed my third and final course for my Biblical Counseling. It was so much information but I have all of the papers that come with the course to come back on.

Thanksgiving!!

My friends Karl and Shelley Sanders flew me up to Pennsylvania to celebrate Thanksgiving. It was great to see friends that I know and to see this son Max who just got married. I also celebrated my birthday while there.

Fixin' My Knee!!

I had an appointment with my knee Dr. when I returned from Pennsylvania. The therapy I was doing was not helping. I have a torn meniscus and he would operate on me on the 22nd.

Deacon's Christmas Party!!

Each year the deacons have a Christmas party for their widows and widowers. I have a widower, Mr. Sal, who says this luncheon he waits for all year. Unfortunately, he was having some problems with his legs and couldn't make it.

Pastor's Dinner For The Deacons!!

Two days later our new pastor and his wife had dinner for all the deacons and their wives. We had smoked brisket, cheesy mashed potatoes, and lots of desserts. It felt so good to see the pastor opened his home up like this.

Year In Review!!

I went to Conclave, D-Now, had my Cateracts removed, went to youth Camp, had VBS, Super Summer, Columbia Mission Trip, & Fall Retreat. God has really blessed me.
