

BE ONE TOGETHER

The Moura's PORTUGAL MISSION TRIP REPORT

beonetgether.com

Dear Friends and Prayer Partners,
Grace and peace to you in the name of our Lord Jesus Christ!

The Apostle Paul wrote in **Philippians 1:5**, *"I thank my God... because of your partnership in the gospel from the first day until now."* Those words perfectly express our hearts toward you. Thank you for investing in God's kingdom. Thank you for believing in the mission He has entrusted to us. And thank you for helping bring the hope of Jesus Christ to people across the world.

Lucy and I have just returned from an incredible mission trip to Lisbon, Portugal, and we want to express our heartfelt gratitude for your faithful prayers and generous financial support. **This ministry would not be possible without your partnership in the gospel.**

As many of you know, we had the privilege of helping launch this church in 2019 alongside missionaries from Brazil and Portugal. We were filled with joy as we witnessed how God has continued to build His church. What began as a small work has grown into a vibrant congregation that is increasing not only in numbers but, more importantly, in spiritual maturity and passion for Christ.

From June 4–7, we were honored to preach at the church's Second Missions Conference. Lucy and I traveled there hoping to encourage the church. Instead, we found ourselves deeply encouraged by what God is doing among His people. We met believers who genuinely love the Lord, faithfully serve one another, and are passionately committed to taking the gospel to the Portuguese people and to the many immigrants living in Portugal.

This church is experiencing remarkable growth because of its

commitment to biblical preaching, discipleship, and evangelism. It was especially exciting to see the church calling its own pastor. The missionary team has done an outstanding job equipping leaders and establishing a strong biblical foundation for the future.

We want you to know that you are part of this story.

Every prayer, every gift, and every word of encouragement you shared has helped make this ministry possible. The lives being transformed in Portugal are fruit that God has graciously allowed all of us to share together.

Please continue praying:

- That this church will remain faithful to God's Word.
- That many more Portuguese people and immigrants will come to faith in Christ.
- That God will continue to raise up disciples who will make disciples.

Your faithful partnership is making an eternal difference and we are honored to serve Christ with you.

With deep gratitude and in Christ's love,
Moises & Lucy Moura
