

News from Portugal - July 2026

*One, two, three... Blessings that never end!
That's how we sing, and now I'll tell you what
God has done for us.*

Deep Roots –

The 2nd Missionary Conference was another milestone achieved. We had four days of prayer, challenges, and missionary outreach under the theme "Deep Roots – Fruit Without Borders." The guest speaker was our beloved Moisés Moura, the pastor who, nearly 40 years ago, took part in sending me as a missionary to Portugal.

Church planting in Santo Antão do Tojal –

The team has focused primarily on working with the younger generation, because we believe this kind of investment brings lasting fruit.

one of the boys has already participated in worship by playing the cajon. We can see a great joy in the face of Guilherme, who is now serving with what he learned!

At the same time, we are closely accompanying the situation with parents, for the objective is to also reach their hearts with the true Message.

The ministry in schools –

The school year has ended, but the work of reaching children and youth for Christ never stops. We held an end-of-year party at the church, which was an excellent opportunity for the students to see the church facilities, located near one of the schools where I taught the subject of Evangelical Morals.
