Summer 2026

Ed and Gerry Tyas

From the Notes of Ed and Gerry...

This summer has been very interesting. We guess the one word we would use for this summer is opportunity. When we think of the word “missionary” we think of someone reaching out to the world with the love of Jesus. We were caused by a friend to look at this word a little differently. What if we thought of this word as reaching out to your world with the gospel of Christ. That is where “opportunity” comes in. We want to follow our opportunities to see where they lead.

Highlights

- *Gerry is still involved locally in Resource Centers in coming along side people and doing a lot of visiting although people are quite busy in the harvest and daily responsibilities right now.*
- *“Ana, let’s go get coffee. I have some questions from our last Bible Study” This is a question I love to answer and so we go. What a privilege to share with others in this way*

- *Ed is filling the pulpit in preaching once a month at a small local church. Actually this is very encouraging to us as we encourage them.*

- *Gerry attended a Women's Conference in Kentucky in July through our mission.*

This was very refreshing and encouraging.

- *Ed will get a similar opportunity in September with the men of our mission and others.*

- *Gerry has had opportunity in Cuba with another group twice a year in April and November. This has proven very encouraging to her as they reach out to others.*

- *We have an opportunity to participate for a week or two soon in the aftermath of the fire situation in the Spokane, WA area with Samaritan's Purse.*

- *Pray for each of these opportunities along with the fall opportunities of Bible Clubs with CEF (Child Evangelism Fellowship) and additional visiting in family homes.*
