Dear praying friends,

We hope you are doing well, making the most of this season, enjoying the Lord and with eyes open to see all that He is doing around you!

We (the core group from WAVE Viana) were so blessed to have a short retreat together. It was something the Lord placed in my (Gila) heart last year and just in the right time He provided all that was needed so we could just be together and enjoy His presence. We sang, read through Scripture, cooked, painted, shared from a place of vulnerability and prayed for each other and this city!

Keep us in your prayers (Marjorie, Rita, Vera and myself) that we may be women rooted and established in His love, walking in the ways He has for each one of us and that we may make Him known to those around us. The Lord guided us to dig deep into the sermon on the mount in this next season of WAVE and which will start on the 17th October. **Pray for all the ladies who want to join us, that the Holy Spirit prepares their hearts to receive His word and that we may all understand what it means to be a disciple of Jesus and walk like a citizen of heaven on this earth.**

School started last week, with all the new rules in place due to the virus. Challenges are many, but as Diogo says, it's not so hard :) . **We praise God for the way He crafted Diogo and the joy he brings into our lives.** Leonor has been so brave as she started in a new school and is venturing through making new friends and settling in a big city school. If you know her you understand how hard this is for her. **Pray the Lord strengthens her and brings good friendships.**

The leadership team is gathering for a day of fasting and prayer. We will be praying for the people of this place and seeking God's will and wisdom for this season for our community. **Please be praying for this. That we may come to Him with all our hearts, lay our agenda and plans at His feet and be obedient to the Holy Spirit guidance. Pray for the strongholds of the enemy to be destroyed. Pray the Holy Spirit revives and overflows in the hearts of the believers in this city and that they let their light shine bright in the midst of the darkness. Pray for Jesus to be exalted in Viana.**

Rend your heart and not your garments. Return to the Lord your God, for He is gracious and compassionate, slow to anger and abounding in love.
(Joel 2)

In His strength,
Nuno, Gila, Leonor and Diogo
